

## Gas Sprayers

Graco's Complete Line of Professional Gas Airless Sprayers

PROVEN QUALITY. LEADING TECHNOLOGY.

**If You're a  
Small Residential and Repainting Contractor**

- ▶ You're painting multiple days a week
- ▶ Your jobs are typically on the smaller side
- ▶ You demand everyday reliability
- ▶ You don't need a lot of extra features

You need a **Standard**Series sprayer.

**EVERYDAY RELIABILITY**

**If You're a  
Large Residential and Commercial Contractor**

- ▶ You're painting every day
- ▶ You tackle medium to large projects
- ▶ You're moving frequently from job to job
- ▶ You need features that save you time and get you in, out, and on to the next job site

You need a **ProContractor**Series sprayer.

**WORK SMARTER, FINISH MORE JOBS**

**If You're a  
Large Commercial and Industrial Contractor**

- ▶ You're painting continuously in less-than-ideal conditions
- ▶ You handle large, long-duration projects that require large volumes of material
- ▶ You keep your equipment on-site in paint
- ▶ You require extreme durability and reliability

You need an **IronMan**Series sprayer.

**BEYOND JOBSITE TOUGH**

**NEW RESIDENTIAL AND REPAINT**

# GMAX Standard Series

**EVERYDAY RELIABILITY**

When you're tackling painting projects multiple days a week, you demand reliability. Graco's Standard Series sprayers deliver durability and performance time after time. They handle the widest range of tip sizes, longer hose lengths and heavier coatings with ease.

**All Standard Series sprayers come with these  
"Only On A Graco" features:**

## Honda® Engine

Compact, lightweight, and powerful, Honda engines are reliable, technologically advanced, and easy to start.

- ▶ Oil Alert shuts down engine if oil level drops too low, preventing damage
- ▶ Contractor preferred

POWERED by **HONDA**

**SmartControl™ 3.0** Graco's advanced SmartControl 3.0 pressure control system offers precision pressure control that delivers a consistent spray fan.

- ▶ Lowest dead band at any pressure

## Rugged, Durable Cart Design

With a Graco sprayer, it's not just the mechanical parts that are built to last. Our carts are built to deliver years of performance.

- ▶ Thick chrome over steel withstands rugged environments
- ▶ Full pneumatic wheels absorb impacts and vibrations
- ▶ Retractable handle doubles as coiled hose storage

**Ready To Work** Everything you need to get spraying—RAC X™ SwitchTip™, Contractor™ gun and 50 feet of BlueMax™ II hose is included.

**STANDARD  
SERIES**

**Easy Out™ Pump Filter** The Easy Out pump filter is designed to filter from the inside out so filters won't get stuck or collapse when filled with dirt or debris.

- ▶ Large 19.5 square inch filtering area reduces tip clogs and ensures a quality finish
- ▶ Vertical filter removes with the cap for less mess

**Advantage Drive™** The drive is the critical link between the engine and the pump. Graco doesn't leave the manufacturing of our Advantage Drive System to others; rather, we design and manufacture them at our world-class manufacturing facility in the United States.

- ▶ Hardened steel gears run extremely quiet
- ▶ The most durable, longest lasting drive in the industry
- ▶ Lifetime warranty

### **Endurance™ Pump**

Graco's Endurance Pump is the most rugged and reliable pump on the market today.

- ▶ Long-life V-Max Blue™ packings
- ▶ Chromex™ rod and stainless steel sleeve deliver superior reliability and life

See page 31 for more information.

### **Heavy-Duty Prime Valve**

Maintenance-free design withstands high-pressure dumping.

**LARGE RESIDENTIAL AND COMMERCIAL**

# GMAX ProContractor Series

**WORK SMARTER, FINISH MORE JOBS**

When it comes to getting the most work done in a day, it's all about speed and high performance. And that's where Graco delivers. With features that enable you to work more efficiently, the ProContractor series of airless sprayers help you get in, out, and on to the next job site faster, saving you time and money.

ProContractor Series sprayers have all the Features of the Standard Series, **Plus:**

**SmartControl 3.0 with LED Display** Graco's advanced SmartControl 3.0 pressure control system delivers a consistent spray fan without pressure fluctuations at all spraying pressures.

- Bright, easy-to-read LED display shows pressure read-out, job/lifetime/gallon counter and self-diagnostics

**WatchDog™** The WatchDog Pump Protection System automatically shuts down the pump when paint runs out or if the hose is damaged.

- Prevents dry pumping damage

**Ready To Spray** Everything you need—RAC® SwitchTip, Contractor gun and 100 feet of BlueMax II hose is already assembled and ready to use right out of the box, getting you working that much faster.

**QuikReel™** With the integrated QuikReel you can deploy and rewind up to 300 feet of hose in seconds, letting you put the sprayer where you want it and the gun where you need it.

- ▶ Hose guide eliminates twisting, kinking, and coiling for one-person operation
- ▶ Hose is always connected and weight balanced to not tip over
- ▶ Use only the hose you need—the rest stays on the reel
- ▶ Hand crank folds away for storage and one man loading

### On-Board Toolbox

Convenient storage container keeps tools, tips, filters and accessories where you need them most.

**ProConnect™ 2** This next-generation pinless design of Graco's ProConnect Pump Removal and Installation System makes it easier and faster than ever to replace the pump in seconds.

- ▶ Eliminates costly job site downtime
- ▶ Quickly and easily swap out the pump for a spare
- ▶ Pinless design needs no tools

**LARGE COMMERCIAL AND INDUSTRIAL**

# GMAX IronMan<sup>Series</sup>

**BEYOND JOBSITE TOUGH**

**Power, Durability and Capability** are what make an IronMan. With its rugged roll cage frame and mechanical components that are designed for continuous, hard use, the IronMan sprayers are built for the serious contractor who routinely handles large commercial and industrial jobs in less than ideal conditions.

**IronMan Series sprayers have all the Features of the Standard Series, Plus:**

## SmartControl 3.0 with LED Display

Graco's advanced SmartControl 3.0 pressure control system delivers a consistent spray fan without pressure fluctuations at all spraying pressures.

- ▶ Bright, easy-to-read LED display shows pressure read-out, job/lifetime/gallon counter and self-diagnostics

**WatchDog** The WatchDog Pump Protection System automatically shuts down the pump when paint runs out or if the hose is damaged.

- ▶ Prevents dry pumping damage

**Roll Cage Frame Design** All IronMan sprayers are built for the most brutal and demanding job sites.

- ▶ Heavy-duty roll cage frame withstands the most extreme abuse from industrial job sites
- ▶ Crush-proof intake screen stands up to harsh impacts

**ProConnect 2** This next-generation pinless design of Graco's ProConnect Pump Removal and Installation System makes it easier and faster than ever to replace the pump in seconds.

- ▶ Eliminates costly jobsite downtime
- ▶ Quickly and easily swap out the pump for a spare
- ▶ Pinless design needs no tools

### Extreme-Duty MaxLife® Pump

Built for the most demanding jobs, Graco's Extreme-Duty MaxLife Pump delivers unmatched durability and life.

- ▶ Lasts **6X longer** between repacks
- ▶ Exclusive MaxLife sleeve and rod
- ▶ Oversized clearances ensure minimal pressure drop and increased performance

- ▶ Both long-life ceramic and stainless steel ball sets included for maximum versatility no matter what you're spraying

**Flat-Proof Tires** These tires can't be punctured by nails, screws or other sharp debris. They will never go flat, leaving the sprayer stranded on a jobsite.

**Heavy-Duty Hose and Gun** 100 feet of high-performance BlueMax II airless hose and a Silver Plus gun that can handle spraying heavier materials are included with every IronMan sprayer.

# TexSpray DutyMax™ Airless Sprayers

## Hard workers for the heaviest applications

When you need to spray the heaviest materials, turn to the TexSpray DutyMax line of hydraulic gas airless sprayers. Configured with direct immersion pumps, oversized hoses, and guns with huge fluid passages, these sprayers are designed to deliver maximum flow and pressure from pump to gun. Whether you need to spray skim coat in a Level 5 finish, fire stop, intumescent, elastomeric, or any other high viscosity coatings, the TexSpray DutyMax GH sprayers have you covered.

### TexSpray Models Available:

**DutyMax GH/DH 230Di Convertible**  
**DutyMax GH 300Di**

With features such as a welded steel cart, a high-efficiency hydraulic pump, a high-capacity cooling system, heavy-duty prime valve, and a contractor-preferred Honda engine, Graco's hydraulic sprayers are the most versatile units on the market today—they're even available with a convertible electric motor that can be exchanged with the gas engine in seconds for working indoors!

## GH Big Rig™ Sprayers

For 30+ years, contractors have turned to the GH line of gas hydraulic sprayers when they needed maximum performance and unmatched versatility. The tradition continues with the GH Big Rig sprayers. Equipped with exclusive QuikChange™ Lowers, each Big Rig sprayer can easily be customized for each coating, eliminating the need to purchase additional rigs. Whether you require high pressure for long hose runs and hard-to-atomize materials, or high flow rates for heavier coverage, turn to the GH Big Rig sprayers to get the job done.
